**RESPONSE TO NOTICE OF DRAWING INCONSISTENCY WITH
SPECIFICATION DATED 09/09/2005**

Sir:

This is a response to the Notice of Drawing Inconsistency With Specification mailed on 09/09/2005. It amends the specification to clear the inconsistency existing between the drawings and the Brief Description of the Drawings in the Specification and it is respectfully requested that this response be entered and the application be issued. In the alternative, it is respectfully requested that this response be entered in order to place the application in better condition for purposes of appeal.

Please amend the application as follows:

Remarks begin on page 2 of this paper.

Amendments to the Specification:

Please delete line 11 on page 8.

Please replace lines 30 through 32 on page 8 with the following paragraph:

Fig. 16 is an illustration showing a sequential progression of a matrix display system as a subject or object moves through the sensor fields of a stacked panel camera such as that shown in Fig. 5.

Please replace lines 5 through 14 with the following paragraph:

Figs. 4a and 4b are the front and top views of a multiple sensor array camera
